Plan Description:
Payments are calculated based on the equipment cost by twelve. Customers make twelve payments with two payments upfront. Customer is billed for the payments due upfront. Customer owns the equipment after twelve payments. Document fee: waived. Program is subject to participating dealers, applicable taxes, and credit approval and is available in the continental U.S. only.

Note: All prices are subject to credit approval, taxes and are available in the continental U.S. only. The lease calculator is not guaranteed accurate and is for informational purposes only. Please contact us to get actual lease costs.
